Everyone knows you should always maintain a professional relationship with your coworkers, but what happens when your coworker also happens to be a great friend? From a floating Walmart to comfortable tensions, Rob and Amanda speak with long-time friends Tina Terrian (Executive Director at Pirkey Barber PLLC) and Chris Sims (Director of Finance at Pirkey Barber PLLC) to explore the dynamics of a friendship that defies the odds in an industry that can leave you feeling rather lonely – not to mention a discovery about the true difference between casinos in Vegas and the ones on cruises. And if we were betting folks, we'd bet that you didn't know this either.
