developers · Friday, March 11th, 2022

What superpower do you want to have? Most people would say flying or the ability to read minds.

Debbie Foster (Partner, Affinity Consulting Group) has a superpower of her own: getting people to make a change without explicitly telling them a change is necessary.

As a consultant in the legal industry, reluctance to change is an attitude she knows all too well.

This week, Debbie takes the mic and shares her tips for making law firms a great place to work from the top down – one change at a time.
